

Final GCE Timetable

June 2022

Important Notes for Summer 2022 GCE Timetable

1. CCEA's GCE Timetable is constructed in line with the Joint Council for Qualifications (JCQ) common timetable for all awarding organisations.
2. As a contingency, up to 10 days has been allowed between examinations within the same subject area to accommodate current public health advice.
3. For Summer 2022 the AS level qualification will not contribute to the A2 level qualification. This has resulted in fewer examination clashes with some overlap of the AS and A2 examinations within the same subject area.
4. Alternative arrangements for Summer 2022 awarding permits the optional omission of some unit examinations within certain subjects. The unit examinations available for omission are highlighted in the timetable for ease of reference.
 - a. All GCE AS and A2 Religious Studies unit examinations have been highlighted as optional omissions as students may choose to omit one from their two selected units of learning.
 - b. GCE A2 Life and Health Science units 3, 4 and 5 have been highlighted as optional omissions as students may choose to omit their unit examination at single award and one unit examination from their two selected units at double award.
