Dear Parents and Guardians,

Re: ParentPay System

I would like to extend our sincere thanks you all who have signed up to our ParentPay system. Your engagement with this convenient and secure online payment platform helps us to streamline the management of school meals and other payments, making the process easier for everyone.

Using Parent Pay offers several benefits, including:

- Easy and secure online payments anytime, anywhere
- Real-time monitoring of your child's meal purchases and account balance
- Reduced need for cash handling, improving safety and efficiency
- Instant notifications for low balances to help you stay informed

For students who are eligible for free school meals, please be reminded that they have an entitlement of £2.80 per day to spend on meals. Should your child choose to purchase items beyond this amount, the additional cost will need to be covered by parents or guardians via the ParentPay system.

As we approach the end of the half-term, we kindly encourage you to check your ParentPay accounts to ensure they are in credit. Please note that all accounts have a £2.80 credit facility to support meal purchases. Keeping your account in good standing will help avoid any disruption to your child's access to school meals.

If you have any questions or require assistance with ParentPay, please do not hesitate to contact our school office.

Thank you for your continued support.

Yours sincerely,

Mr N D Owen

Principal

Our Vision Statement:

To provide an inclusive, caring learning environment where we all feel valued and respected and are empowered to reach our full potential
