Exam entries in Year 12 will be dependent on the result gained in Year 11.

Students will be supported by their mathematics teacher but additional resources can be found on corbettmaths.com, mymaths.co.uk and through the Year 11 Maths Google Classroom. As ever, support from home is essential for successful outcomes at GCSE. Should you wish to clarify any of these points, please do not hesitate to contact your child's maths teacher.

Regards,

Mr Graham
