- Studies show that, for workers over the age of 25:
 - those who have qualifications above A level standard (e.g. degrees, HNDs and HNCs) earn more on average than those who have completed an apprenticeship
 - those who have completed an apprenticeship earn more on average than those whose highest qualifications were A levels
 - those whose highest qualifications were A levels earn more on average than those whose highest qualifications were GCSEs at grade A* to C.

Why Post-16 at Parkhall Integrated College?

- Parkhall Integrated College opened its sixth form in September 2017
- Students have the opportunity to follow a suitable curriculum
- Improved parental choice to ensure children access high quality and appropriate post-16 education in their own locality

EDUCATION MAINTENANCE ALLOWANCE (EMA)

The little book of EMA

All you need to know about getting EMA in academic year '18

What is EMA?

Education Maintenance Allowance is a **weekly allowance of £30 to help 16, 17, 18 and 19 year olds** with the costs of further education. Payments are made every 2 weeks as long as you continue to meet your school or college's attendance requirements.

There are also 2 performance based bonuses of £100 normally paid out in January and June. **Getting EMA won't affect any benefits you or your family already receive.**
